

Dear Club Member

Our club kit webshop is moving to Kitkabin's new online platform.

All the club kit is the same, however our club range will now automatically include personalisation as standard, on those products where it was previously optional.

Please note, when you reach checkout and your purchase transaction will be processed by Print My Kit, who are Kitkabin's in-house print and embroidery business.

To access the new club shop please use the 'Shop' button on our club website, alternatively use this link:

<https://haslemeresc.kitkabin.com>

The password to enter the shop is
